

Capucine L. GRANDJEAN

Ph.D, CRCN

Harnessing innate immunity through immunotherapies

- +33 6 65 19 66 46
- Immunology Department, Bat 67, Institut Pasteur, Paris
- ORCID: 0000-0002-2901-7186
- capucine.grandjean@pasteur.fr
- 36yo, 3 children

ACADEMIC EDUCATION

- 2015 **Ph.D in Immunology**
Blizard Institute, Barts and the London School of Medicine, London, UK
- 2011 **Bs.C in Biomedical sciences**
Queen Mary University of London, London, UK

RESEARCH EXPERIENCE

- Since 2020 **Permanent Researcher, CRCN, INSERM U1223, Institut Pasteur, Paris, France**
Team: Dynamics of Immune Responses, Immunology Department
Head: Dr. Philippe Bousso
Department: Immunology
- 2015-2021 **Post-doctoral researcher, Institut Pasteur, Paris, France**
Understanding the mechanism of action of CAR T cells and anti-CD20 mAb
Dr. P.Bousso Team, Dynamics of Immune Responses, Immunology Department
- 2011-2015 **Ph.D Student, Barts and the London School of Medicine and Dentistry, London, UK**
Understanding the role of T cell receptor signalling in T cell development
Prof. D.J.Pennington Team, Centre of Infectious disease and Immunology
- 2010-2011 **Bs.C apprenticeship (1 year part time), Barts and the London School of Medicine, London, UK**
Understanding the role of preTCR isoforms during T cell development
Prof. D.J. Pennington team, supervision by Dr. J. Mahatani Patching, Centre of Infectious diseases and Immunology

FUNDING

- 2024 **Fondation ARC (75k€)** to start in January 2025 until 2027
- 2024 **GEFLUC Grant (20k€)** start in January 2025 until 2026
- 2022 **ANR JC/JC (280k€)** extended until July 2026
- 2022 **Initiative Cancer Funding (5k€)**
- 2021 **Initiative Cancer Funding (5k€)**
- 2020 **INSERM Grant associated to CRCN position (40k€)**
- 2011 **Ph.D studentship for 3 years** from Queen Mary University, London, United

SUPERVISION & TEACHING

- Since 2022 **Supervision of a Ph.D Student with ADT** - L. Feldmann
- Since 2018 **Supervision of a research engineer** - Z. Garcia
- Since 2020 **Technical and scientific guidance with members of the lab from P. Bousso team**
- 2022 **Organising an exam for Master 2 students** - Institut Pasteur Immunology course
- 2021 **Supervision of a Master 2 student** - A. Loap
- 2020-2021 **Co-supervision of a research engineer for establishing the CODEX technology in the lab** - M. Bardou
- 2020 **Teaching at l'ENS Lyon, virtual**
- 2020 **Teaching at the JeCCo Symposium**, Institut Cochin, Paris
- 2019 **Supervision of a licence 3 student** - Candice Arnaud
- 2018-2019 **Co-supervision of a Ph.D Student** - Marine Cazaux
- 2018 **Teaching at Mohammadia University**, Marocco
- 2011-2015 **Supervision of 3 Bachelor students including S.Martins** - QMUL, London, UK

INSTITUTIONAL RESPONSIBILITIES

- Since 2024 **Appointed to the CISC - Committee of scientific integrity of Institut Pasteur** headed by A.Israël and A.Fischer
- Since 2024 **Member of the HBA executive committee**: coordinate 30 people in implementing new initiatives across the campus about three main themes: Stands for exemplarity, closing diversity gap, One Pasteur
- Since 2023 **Appointed scientific integrity intermediaries at Institut Pasteur**
- Since 2022 **Member of the Pasteur task force about science integrity** head by Prof. A. Israël
