

Biobank activity

You work as an investigator or researcher in a public organization where you are an industrialist and wish to have access to the biological samples collections of the ICAREB platform, this space is dedicated to you.

You will find the access protocol and the form to download in the "[SERVICES](#)" tab as well as the [Catalog of the biobank](#)

For applications for bioresources or for declarations of collections of human origin (CEBOH), please contact the following persons :

| Bioresources | | CEBOH | Head of facility |
|--|--|---|--|
|  |  |  |  |
| Blanca Liliana Perlaza Projet manager | H el ene Laude Physician doctor | Amina Ait Saadi Projet manager | Marie-Noelle Ungeheuer Physician doctor |
