

CYTOMETRY TUTORIALS

- BD tutorial videos

<https://www.bdbiosciences.com/eu/s/training/e-learning>

- BD Biosciences – YouTube

<https://www.youtube.com/channel/UCLeqmZod8vKvrzsK4BS69nA>

- Invitrogen tutorials: 1- Flow cytometry, 4-Fluorescence, 5-Data analysis

<http://www.invitrogen.com/site/us/en/home/support/Tutorials.html>

- FlowJo - Basic Tutorials

<https://www.flowjo.com/solutions/flowjo/downloads/tutorials>

- FlowJo - University

<https://www.flowjo.com/learn/flowjo-university/flowjo>

- Current Protocols in Cytometry Online access to through Lane Library.

<https://onlinelibrary.wiley.com/action/doSearch?AllField=cytometry>

You must be connecting from a Stanford IP address or using a VPN connection to Stanford.

<https://onlinelibrary.wiley.com>

- Purdue Cytometry Core Lab

This site is an access point for many resources for flow and image cytometry, including a well-used discussion list.

<http://www.cyto.purdue.edu>

There is also a VERY useful discussion summary section at :

<http://www.cyto.purdue.edu/hmarchiv/index>
