

Half-Day Symposium

“NMR Beyond Protein Structures”

• **Amphithéâtre François Jacob, Institut Pasteur** •

20th of June 2018, from 9h20 to 13h00

28 rue du Dr. Roux, 75015 Paris

9h00-9h20: Registration

9h20	Michael Nilges Institut Pasteur	Welcome
9h30	François-Xavier Theillet Institut de Biologie Integrative de la cellule – Saclay	Protein NMR in cells
10h00	Bénédicte Elena Herrmann Institut des Sciences Analytiques – Lyon	NMR and the metabolomic landscape in biology
10h30	Nadia Izadi Institut Pasteur – Paris	In cell NMR for screening and drug design

11h00-11h20: Coffee break

11h20	Guillaume Bouvignies Ecole Normale Supérieure – Paris	Visualizing rare conformational states of proteins using solution NMR spectroscopy
11h50	Isabelle Landrieu Université de Lille – CNRS	Modulation by phosphorylation of Tau protein interactions in Alzheimer's disease
12h20	Iñaki Guijarro Institut Pasteur – Paris	NMR beyond structures at the Pasteur Institute

Free event with mandatory registration

Organizing committee
