

# OITF: Introduction to Outbreak Investigation & Response

Institut Pasteur du Cambodge, Phnom Penh, Cambodia,  
25-29 March 2019

Intensive one week introduction to methods of multidisciplinary outbreak investigation and response for outbreaks of emerging and re-emerging infectious diseases.

This course will include a combination of lectures, case studies, and practical sessions led by experts from Institut Pasteur, the Institut Pasteur International Network and external partners.

**Target Audience:** Junior to mid-career scientists from the Institut Pasteur International Network in the Asia-Pacific Region, Institut Pasteur, and INCEPTION Partner Institutions interested in

joining and volunteering for field deployments with the Pasteur Outbreak Investigation Task Force (OITF). Applicants from other institutes will be considered on a space-available basis.

**Language:** English

**Costs:** Registration is free. Flight and lodging will be covered by the OITF. Meals and incidental expenses will not be covered by the OITF. Participants must bring a laptop.

**Application:** Download and complete the application form at <https://research.pasteur.fr/en/course/introduction-to-outbreak-investigation-response/> and send to [eileen.farnon@pasteur.fr](mailto:eileen.farnon@pasteur.fr) and [rebecca.grant@pasteur.fr](mailto:rebecca.grant@pasteur.fr) with the subject "OITF Course Application" by 31 January 2019. Selected participants will be notified by February 8, 2019.
