

Pasteur-Imagine Immuno Day

Thursday, December 11, 2025

Institut Pasteur, Paris, Duclaux Amphitheater

9:30-9:40

Opening

Prof. Yasmine BELKAID, President of the Institut Pasteur, Paris
Prof. Bana JABRI, Director of Institut Imagine, Paris

9:40-11:00

Session 1

Yasmine BELKAID, *Meta-organism, IP*
Bana JABRI, *Tissue immunity in health & disease, Imagine*
Philippe BOUSSO, *Dynamics of Immune Responses, IP*
Sylvain LATOUR, *Lymphocyte activation & Susceptibility to EBV, Imagine*

11:00-11:20

Break

11:20-12:40

Session 2

Hélène STRICK MARCHAND, *Innate Immunity, IP*
Marie-Louise FRÉMOND, *Neurogenetics & Neuroinflammation, Imagine*
Gérard EBERL, *Microenvironment & Immunity, IP*
Michela DELEIDI, *Mechanisms & therapy of genetic brain diseases, Imagine*

12:20-14:00

Lunch Buffet

14:00-14:40

Keynote speaker

Prof. Miriam MERAD, Director of the Precision Immunology Institute,
Icahn School of Medicine, Mount Sinai, NY, USA

14:40-15:40

Session 3

Darragh DUFFY, *Translational Immunology, IP*
Anne PUEL, *Human genetics of infectious diseases, Imagine*
Friederike JONSSON, *Antibodies in Therapy & Pathology, Group: Allergy & Autoimmunity, IP*

15:40-16:10

Break

16:10-17:10

Session 4

Patrick REVY, *Genome dynamics in the immune system, Imagine*
Ludovic DERIANO, *Genome Integrity, Immunity & Cancer, IP*
Frédéric RIEUX-LAUCAT, *Immunogenetics of pediatric autoimmune diseases, Imagine*

17:10-17:30

Discussions-Wrap-up

Registration limited to IP Paris campus & Institut Imagine (free) by Tuesday, Nov 14, 2025:
<https://forms.cloud.microsoft/e/Ch1F85APkC>
